## **REQUEST FOR QUALIFICATIONS** *Downtown Winston-Salem Streetscape Master Plan and Design Standards*

**Response Due by 5:00 pm, June 14, 2017**

---

The City of Winston-Salem invites qualified firms to submit proposals for consulting services to develop a comprehensive Downtown Streetscape Master Plan and Design Standards for Downtown Winston-Salem. There is a need for a comprehensive streetscape master plan and standards for design by examining previous planning efforts and existing conditions within Downtown. This master plan will represent an intentional approach to design for the entirety of Downtown through the creation of standards that can be implemented by both public and private investment.

To obtain the complete RFQ electronic document, contact Darren Redfield at [darrenmr@cityofws.org](mailto:darrenmr@cityofws.org) (preferred) or 336-747-6936 or in person at the Purchasing Division, 101 N. Main Street, City Hall Room 324, Winston-Salem, NC during regular office hours. The City reserves the right to reject any or all proposals.

The City of Winston-Salem anticipates a 12-month timeline for services addressing the following: project management, public involvement, existing conditions report, Street Typology, Tree Management Plan, Design Standards, general Signage Recommendations, Strollway, other planning documents and designs, cost estimates, and deliverables. The City will evaluate proposals and select the best firm based on demonstrated competence and qualifications, and ability to meet the requirements of this RFQ. In addition, a 10% M/WBE sub-consultant goal has been established.
