Such efforts to stimulate the local economy may be accomplished by posting job vacancies with the North Carolina Employment Security Commission, the Piedmont Triad Regional Council of Governments, and the Winston-Salem Urban League; and utilizing the State of North Carolina Office for Historically Underutilized Business database

(<https://www.ips.state.nc.us/IPS/vendor/SearchVendor.asp?xt=hobtain>) or other local resources such as the City of Winston-Salem M/WBE Program to identify Winston-Salem/Forsyth County based contractors and subcontractors. Stimulation of the local economy requires a collaborative effort of both the public and private sector. The city is committed to taking reasonable steps to achieve said goal.

### **E-Verify**

Further, if the Contractor utilizes a subcontractor, the Contractor shall require the subcontractor to comply with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes.

### **Iran Divestment Act**

Contractor hereby certifies that it is not on the North Carolina State Treasurer's list of persons engaging in business activities in Iran, prepared pursuant to NCGS § G.S. 147-86.58, nor will Contractor utilize on this agreement any subcontractor on such list. This list, along with additional information about the Iran Divestment Act, is available on the Treasurer's Office site:

## SPECIAL TERMS AND CONDITIONS

**DETAILED SPECIFICATIONS:** Detailed specifications for this equipment are included with the bid request. Bids to be submitted in accordance with the specifications and these Special Terms and Conditions, both of which require doing all that is necessary, proper, or incidental to the furnishing of the equipment identified herein. All things not expressly stated in the specifications or Special Terms and Conditions but involved in carrying them out must be included in bidder's proposal as though they were specifically stated.

**NOTICE TO BIDDERS:** All bids are subject to the provisions of the instructions to Bidders, special terms and conditions specific to this Invitation for Bids, the specifications, and General Contract Terms and Conditions. The City of Winston-Salem objects to and will not evaluate or consider any additional terms and conditions submitted with a bidder response. This applies to any response appearing in or attached to the document as part of the bidder's response. **DO NOT ATTACH ANY ADDITIONAL TERMS AND CONDITIONS.** By execution and delivery of a proposal, the bidder agrees that any additional terms and conditions, whether submitted purposely or inadvertently, shall have no force or effect. It shall be the bidder's responsibility to read this entire document, review all enclosures and attachments, and comply with all requirements specified herein.

The bidder is cautioned that the requirements of this bid can be altered only by written addendum and that verbal communications from whatever source are of no effect.

### **EXCEPTIONS TO SPECIFICATIONS:**

In the event that clarifications or changes to bid specifications are necessary, changes will be made by written addendum. In all cases equipment must be furnished as requested, and where brand names are used, consider the term "or equal" to follow. Such references are not intended to be restrictive and comparable products of other manufacturers will be considered. However, **written approval for any proposed substitution or change in specifications must be obtained by bidder prior to the close of bids.**

Any request for an approved equal, change in specification or protest of specifications must be fully supported with technical data, test results, or other pertinent information and evidence that the substitute offered is equal to, or better than, the specification requirement. The bidder shall not construe this paragraph as inviting deviation or implying that any deviation will be acceptable.

Bidder's failure to request exceptions to specifications or approved equals as stated above will be interpreted as the bidders' intent to comply fully with the requirements as written. Conditional or qualified bids shall be subject to rejection in whole or in part. The City of Winston-Salem reserves the right to postpone bid openings for its own convenience.

**GENERAL REQUIREMENTS:** The equipment furnished shall be new and unused and the manufacturer's latest listed and published stock model, or models which meet all the applicable requirements of these specifications. Specifications may require that certain makes and models of vehicles, auxiliaries and/or accessories be provided.

**BIDDERS SUBMITTALS:** Bidder must furnish all information requested herein including descriptive literature and/or complete specifications covering the products offered. Reference to literature submitted with a previous bid will not satisfy this provision. Bids which do not comply with these requirements will be subject to rejection. All documents submitted should bear the name of the bidder.

**EXPENSES INCURRED IN PREPARING BID:** The City of Winston-Salem accepts no responsibility for any expense incurred by the bidder in the preparation and presentation of a bid. Such expenses shall be borne exclusively by the bidder.

**CONTRACT/AWARD:** Pursuant to the laws governing public contracts in North Carolina, the successful bidder's/vendor's response to this Invitation for Bids and Proposals and any addenda thereto, plus the City's issuance of a City of Winston-Salem Purchase Order for the proposed goods and/or services shall constitute a binding contract.

**PURCHASE OF ADDITIONAL REQUIREMENTS:** Subject to the successful bidder's acceptance, the City reserves the option to purchase additional equipment as specified herein at the price bid and awarded in this Invitation for Bids and Proposals within one (1) year from bid opening date. This bid may also be utilized by other entities per N.C.G.S. to piggyback at the sole discretion of the vendor.

**INDEMNIFICATION:** The bidder/vendor covenants to save, defend, keep harmless, and indemnify the City of Winston-Salem and all of its officers, departments, agencies, agents, and employees from and against all claims, loss, damage, injury, fines, penalties and cost - including court costs and attorney's fees, charges, liability, and exposure, however, caused resulting from, arising out of, or in any way connected with the bidder's/vendor's negligent performance or nonperformance of the terms of the contract.

**VENDOR SUPPORT/SERVICE AND PARTS:** The vendor and/or manufacturer bidding on these specifications must have the ability to provide repair parts and technical service in the form of a service representative, including the maximum time from receipt of notice to arrival of parts or the service representative. The manufacturer, whether they are the vendor or not must be satisfactory to the City of Winston-Salem from the standpoint of experience, reliability, and demonstrated ability to manufacture equipment comparable as to size and type as that required by the specifications, and shall have manufactured and/or sold equipment of the size and type specified which has operated satisfactorily in the field for a minimum of one year. The City of Winston-Salem reserves the right to reject bids from vendors that have failed to perform satisfactory under previous contracts with the City of Winston-Salem and/or vendors that cannot produce satisfactory evidence that they can furnish promptly all spare parts needed for ordinary service and repair of the equipment herein specified.

**INSPECTION, TRAINING, PERFORMANCE TEST AND ACCEPTANCE:**

- a. Upon delivery the equipment will be subject to inspection to verify conformance with specifications by the staff of the City of Winston-Salem
- b. Any defects or failure of equipment to perform or comply with any requirements of the City specifications must be immediately remedied by the vendor at the vendor's own expense prior to acceptance by the City.

**WARRANTY:** Bidder to include the warranty provisions as outlined in bid specifications.

**TAX EXEMPTIONS:** The City of Winston-Salem is exempt from Federal Excise Tax but not from State and Local Sales Tax. Sales tax should not be included in bid prices, but may be added as separate items.

**EVALUATION AND SELECTION OF BIDS:** The evaluation of vendor bids shall center on the match between the stated specifications and other requirements included in the final bid request and the vendor's proposal including selection of the lowest responsible bidder, with consideration of past performance, service record, and reliability. The statutory provisions controlling purchasing by local governments in N. C. (GS 143) includes selection standards for use in making of awards. The provision reads, "All contracts shall be awarded to the lowest responsible, responsive bidder, taking into consideration quality, performance, and the time specified in the bids for the performance of the contract". The City of Winston-Salem reserves the right to accept or reject any or all bids and proposals and further specifically reserves the right to make the award or awards in the best interest of the City of Winston-Salem.

**All bids shall be made firm for no less than sixty (60) days.**
