WATER SERVICE LINE REPAIR & METER BOX REPLACEMENT CITY / COUNTY UTILITIES

Pursuant to N.C.G.S. 143-131, sealed bid proposals endorsed “**Water Line & Meter Contract – FB1984**” will be received by City/County Purchasing, City Hall Building, 101 N. Main Street, Winston-Salem, NC until **2:00 PM, November 16, 2018** in Room 16, at which time all bids will be publicly opened and read aloud. The City reserves the right to waive any informalities in the bidding and to reject any or all proposals.

Bidders are hereby notified that they must be properly licensed as required by Chapter 87 of the North Carolina General Statutes.

The bid package may be obtained, as well as instructions for submitting bids, by contacting Darren Redfield at darrenmr@cityofws.org (preferred), 336-747-6936, or in person at City/County Purchasing, City Hall Room 324, 101 North Main Street, Winston-Salem, NC 27101 during normal business hours. **Electronic bidding documents are available on or after November 2, 2018 by request.**

For technical questions regarding this project, please submit questions **in writing** to Bill Shookman at billjs@cityofws.org. The End of Question Period is 2:00 PM, November 9, 2018.

Scope summary: Utilities Meter Shop has the need to repair approximately 40 water services; and renew approximately 80 water services; and replace or adjust approximately 2,000 water meter boxes, pits, or vaults. This is a term contract that may be renewed annually for up to 4 additional years. M/WBE goals are 0% MBE and 0% WBE.

****PRE-BID NOTICE****

A pre-bid conference will be held at **1:00 PM, November 6, 2018** in Room 16, City Hall, 101 N. Main Street, Winston-Salem, NC 27101. The purpose of this conference is to summarize the scope of work involved and to explain the City’s Minority and Woman Owned Business Enterprise (M/WBE) program and goals as applicable to this project. The Project Coordinator and M/WBE staff will be present to answer questions.

A sign-in sheet will serve as the attendance record. Prime bidders and subcontractors are encouraged to attend to learn about the project scope and the required outreach efforts to HUB-certified M/WBE subcontractors.
