**Office of Business Inclusion
and Advancement**

The Office of Business Inclusion and Advancement includes the following divisions to assist our small business community:

Business Development Division

The Business Development Division monitors and promotes business and economic development opportunities throughout the city utilizing a series of related programs to provide concentrated assistance to targeted areas and groups. The Division focuses on enhancing the quality of life by attracting, creating, and retaining jobs; augmenting the tax base; and assisting small and minority-owned businesses.

Minority & Woman-Owned Business Enterprise Division

The M/WBE Division assists minority- and woman-owned business enterprises in providing goods and services to the city. The Division provides workshops and seminars for minority- and women-owned businesses. In addition, the Division provides minorities and women equal opportunity to participate in all aspects of city contracting and purchasing programs, including but not limited to:

- Participation in procurement contracts for commodities and services as well as contracts relating to construction.
- Repair work and/or leasing activities.
- All purchasing at the department/division level that is classified as discretionary spending.
