JOB DESCRIPTION:

Performs responsible technical work during varied shifts on an assigned squad under immediate supervision. Responsible for processing emergency and non-emergency requests for service of police, fire or medical units and dispatches police and fire units; does related work as required. Works varied shifts, operates and monitors radios, recording devices, paging and alarm systems; receives and transmits messages by radio utilizing a Computer-Aided Dispatch system; receives and processes citizen requests for police and fire personnel on an Enhanced-911 telephone system; utilizes Division of Criminal Information and in-house computer systems.

QUALIFICATIONS:

Education and Experience: Any combination of education and experience equivalent to graduation from high school. Applicants must be at least 18 years of age and have no felony arrests or serious misdemeanors. Although not required, additional training and education in management and communications and experience in public safety communications will be helpful.

Knowledge, Skills and Abilities: Ability to communicate by radio or telephone clearly and distinctly; minimum typing speed (25wpm); ability to sit for extended periods of time in a temperature controlled environment and the ability to effectively communicate with the public and departmental personnel under stressful conditions. Although not required, it will be helpful to have some knowledge of the methods of operating a communications system, including Computer-Aided Dispatch and Enhanced-911; some knowledge of the geography of the City, police and fire policy and procedure, laws and ordinances and the ability to apply them to citizen questions and complaints.

SPECIAL REQUIREMENTS:

Possession of a valid Division of Criminal Information Certificate.

TRAINING:

- Basic Operator School
- Division of Criminal Information (DCI) Certification Instructed by the State Bureau of Investigation (SBI)
- Geography
- Agency Policies
- Computer Aided Dispatch (CAD) System for Fire and Police
- Associated Public-Safety Communications Officers (APCO) National Certification Program
- On the job training program

All Training Provided by the Agency
