

**Winston-Salem Urban Area Metropolitan Planning Organization
Transportation Advisory Committee
Action Request**

Meeting Date: February 15, 2018 **Agenda Item Number:** 9

Action Requested: Review of additions, deletions, amendments and modifications to the Winston-Salem Urban Area Fiscal Year 2018-2027 Metropolitan Transportation Improvement Program (MTIP) to match the State Transportation Improvement Program (STIP).

SUMMARY OF INFORMATION: **Attachments:** Yes X No

The Fiscal Year 2018-2027 MTIP is a comprehensive listing of all transportation projects programmed for the Winston-Salem Urban Area and must be a subset of the Winston-Salem Urban Area 2040 Metropolitan Transportation Plan Update (MTP) and match the 2018-2027 State Transportation Improvement Program (STIP). The 2040 MTP Update, the Air Quality Conformity Determination Report (AQCDR) was adopted by the TAC on September 17, 2015. The FY 2018-2027 MTIP was adopted by the TAC on November 16, 2017.

The North Carolina Department of Transportation (NCDOT) regularly updates the STIP to include new projects and modify existing projects. Any STIP amendment for new statewide projects or projects within the Winston-Salem Urban Area MPO triggers the amendment of the MTIP. STIP amendments for regionally significant projects that have significant project revisions or cross the Federal Highway Administration (FHWA) 4-year funding period or modeling horizon years require an AQCDR. Modifications to the STIP do not require adoption but are provided for information.

The attached document describes the amendments and modifications to the Winston-Salem Urban Area FY 2018-2027 MTIP.

As required by the MPO's Public Participation Policy, the amendments and modifications to the 2018-2027 MTIP are available for public review and comment for at least thirty (30) days from January 1 through February 1, 2018. All comments and responses will be presented at the February 15, 2018 TAC meeting.

The North Carolina Department of Transportation (NCDOT) regularly updates the State Transportation Improvement Program (STIP) to include new projects and modify existing projects. The Winston-Salem Metropolitan Transportation Improvement Program (MTIP) is a comprehensive listing of all transportation projects programmed for the Winston-Salem Urban Area and must be a subset of the Winston-Salem Urban Area Metropolitan Transportation Plan (MTP) and match the STIP. The current 2018-2027 STIP has yet to be federally adopted, thus modifications and amendments included herein apply to either or both the currently adopted STIP (FY 2016-2025) and the draft FY 2018-2027 STIP.
