Project Name _____

Project Address _____

General Contractor _____

Electrical Contractor _____

Type of Building: Residential _____ Small Commercial _____ Large Commercial & Industrial _____
(up to 15,000 sq. ft.)

READ BEFORE SIGNING

PURPOSE: To assist in the completion of construction for residences, small commercial and large commercial and industrial projects by providing a means of supplying sufficient electrical power to operate lighting and other electrical and mechanical systems.

QUALIFICATIONS:

Building permit:

- The structure must be under roof and permanent exterior walls in place with exterior windows and doors installed.
- Rough electrical, plumbing and mechanical inspections must be made and approved.
- Building framing inspection must be made and approved. Insulation inspection must be made and approved if heating, ventilation or air conditioning systems are to be tested.

Electrical permit only:

- Electrical inspector must make a rough inspection.

CONDITIONS

- Temporary current will be granted for 120 consecutive calendar days with one extension of 90 consecutive calendar days. The extension must be applied for in writing to the permit office of the Inspections Division.
- No connections for branch circuits or any other service for temporary use is permitted unless inspected and approved.
- The structure may not be occupied until a Certificate of Occupancy (CO) or Temporary Certificate of Occupancy (TCO) has been issued for the building.

I have read, understand, and agree to this procedure and will abide by the qualifications and conditions under which it is issued. I indicate my understanding of these requirements and conditions by my signature. I further agree that failure to comply with this procedure will result in the loss of future temporary current privileges for the owner and contractor. I further understand that occupying this building without a Certificate of Occupancy (CO) or Temporary Certificate of Occupancy (TCO) is a violation of state law and may result in legal action being taken against me.
