## Guess How Many Trees?

The 11th Annual Community Roots Day was a huge success in the Kennedy School Neighborhood on March 29th, 2003. The overcast weather gave way to sunshine as more than 400 volunteers planted nearly 300 trees in the area from Martin Luther King Jr. Drive to 14th Street, between Liberty Street and Cleveland Avenue. Breakfast, lunch, hats and free t-shirts were awarded to the hard-working volunteers.

This joint venture is made possible by over twenty generous community sponsors, in addition to the efforts of the Community Appearance Commission, Keep Winston-Salem Beautiful and the City of Winston-Salem Roadway Appearance Division.

### **CAC Mission:**

The purpose of the Community Appearance Commission is to enhance and improve the visual quality and aesthetic character of Forsyth County and the City of Winston-Salem for the education, pleasure and enrichment of the county and city residents and to improve the community's visual quality of life for generations to come.
