

## **Career Day Presentations**

An officer from the Winston Salem Police Department Crime Prevention Unit will attend “career day” programs in elementary and middle schools. The Crime Prevention Officer will discuss what is expected of individuals who wish to become a police officer or a non-sworn employee of the police department.

The purpose of this program is to introduce the participants to the structure, mission and purpose of the police department as it relates to the criminal justice system. The program also introduces the participants to the qualifications necessary to become a police officer.

Participants will be able to understand the size, structure and budget of the police department as well as demonstrate specific knowledge about the work schedule, pay rates and other benefits associated with the jobs at the Winston Salem Police Department.
