

Security Survey – Commercial

Officers with the Winston Salem Police Department Crime Prevention Unit will respond to a commercial site to do a security assessment of the property. Crime Prevention Officer will walk the property with the owners/renters to determine areas of the property that may need additional security.

Some essential items looked at are lighting, fencing, alarm control and surveillance cameras.

For information on how to request this program, please contact the Crime Prevention Office at 336-773-7835.
