

Winston-Salem Recreation and Parks Department
Adult Dodge Ball

THE TEAM

Teams consist of 6 players for the male division and the co-ed division. Minimum to start a game is 4 players, (co-ed is 2 of each sex.). Co-ed may begin with 5 players, 2 men and 3 women or vice versa. Substitutes may enter only during time outs or during a stoppage of play in case of injury. Floor captains must identify themselves before each game. They are the only ones authorized to address the official.

THE PLAYERS

All players must be at least 18 years old and out of high school to play. Players may play on 1 team per league.

THE COURT

The game will be played indoors on basketball courts. The basketball court will be divided in 2 equal sections by a center court line. The basketball court will be the boundary lines.

THE EQUIPMENT:

The official ball is a 7", & 8 1/2" rubber-coated foam ball. Six balls will be used for each game. Tennis type shoes with non-marking soles are required. Team uniforms are optional.

THE GAME:

The object of the game is to eliminate all opposing players by getting them "OUT". This may be done by the following

1. Hitting an opposing player with a thrown ball.
2. Catching a ball thrown by your opponent before it touches any other surface.
3. Going out of bounds while dodging a ball.
4. Ball can only stay on a side 30 seconds.
5. Kicking the ball at the start of the game.

Game begins by placing the dodge balls in the middle of the court or spread across the mid court line. The decision will be up to the floor captains. Players then take a position behind their end line. Following a horn by the game official, teams may approach the centerline to retrieve the balls. Balls may not be kicked at this time of the game. This horn officially starts the contest.

The first team to legally eliminate all opposing players will be declared the winner. A 7-minute time limit has been established for each game. If neither team has been eliminated at the end of the 7 minutes, the team with the greater number of players remaining will be declared the winner. In the case of an equal number of players remaining after regulation, a sudden - death overtime period will be played until there is a winner. This will be done with the volleyball lines as the boundaries. 3 players from each team will stand on each boundary line and keep the balls in play.

TIME OUTS & SUBSTITUTIONS

Each team will be allowed one 30 second timeout per game. During the timeout a team may substitute players into the game. No timeouts are allowed in the overtime period. **Only players who did not start the beginning of the game may be substituted.** No player who has been eliminated during the game may reenter. Players may only substitute players of the same sex, males replace males & females replace females.

PROTESTS

Protests will only be accepted in cases involving use of an ineligible player. Protests of judgment calls will not be accepted.

RULE ENFORCEMENT

Rules will be enforced primarily by the "**honor system**". Players will be expected to rule whether or not a hit was legal or whether they were legally eliminated. All contests will be supervised by a game official. The game official's responsibility will be to rule on any situation in which teams cannot agree. This includes rulings on all legal hits, out-of-bounds, center court crossings or 10-second violations.

ALL GAME OFFICIALS DECISIONS ARE FINAL - NO EXCEPTIONS.

RETRIEVING BALLS OUT OF BOUNDS

When balls go out of bounds, a player must leave and enter the playing court by the baseline. They are not allowed to go out of the sidelines.

BOUNDARIES

During play all players must remain within the boundary lines. Players may leave the boundaries only to retrieve stray balls. No player may step over the center line. Any player who does so will be called "out". Players can not be eliminated while retrieving a ball out of bounds. Players must be inbounds to be eliminated or to throw the ball at opposing players. **Players can not go out of bounds to dodge a ball. If this occurs, the player will be called out.**

BALL POSSESSION

A ball can stay on a side 30 seconds.

DEADBALL
